CORE VALUES

DEDICATION

RESPECT

INTEGRITY

VISIONARY

EFFICIENT
Adjudication Services
Provide ticket processing, noticing, hearing and hearing support services to residents and non-residents, in order to render legally sound decisions on parking, photo and moving violations, and to ensure proper processing of violation and penalty payments for those infractions.

Vehicle Services
Provide certification and inspection services to residents, businesses, and government entities, so they may legally park, drive, and sell their vehicles in the District of Columbia.

Driver Services
Provide driver certification and identification services to residents to ensure they have the proper credentials to reflect identity, residency, and driving qualifications, so they may legally operate their vehicles.

Technology Services
Provide integrated and reliable information systems for all DMV services and comply with District-wide technology standards and requirements.

Agency Management
Provide general and administrative support along with the required tools to achieve operational and programmatic results. This includes financial operations, customer service, administrative services, legislative affairs, facility management, as well as warehousing and inventory control.
YOU MAY BE SURPRISED TO KNOW

- DMV does not ticket, boot, or tow vehicles
- DMV.org is not the official website of the DC DMV; it is dmv.dc.gov
- Money & fees do not go to DMV. They go to the DC general fund
- Residential Parking Permits (RPP) and Disability Placards are issued on behalf of DDOT
